BALI KUTA RESORT

Play@Sheraton in Short

Play@Sheraton is the newest addition to the Sheraton Bali Kuta Resort. The kid's club will become a focal point to accommodate the needs of family travelling with young children and enhance their experience by creating a safe and fun environment.

Play@Sheraton concept is based on a simple goal, EDUTAINMENT. The merging of these two words, "Education and Entertainment" encourages intellectual stimulation and fun whereby children will experience fun and educational activities. As an interpretation of the Edutainment Concept, our Play@Sheraton allows a fun way of learning and exploring Bali's culture, community and people.

- 3 – 5 years old : **World of Nickelodeon™**
Introduce your little ones to technology, while exploring the world of Nickelodeon™ with their favorite character.
- 6 - 12 years old : **I'm an Explorer**
For the curious mind, this program offers children the opportunity to play and learn throughout their stay with activities ranging from art creations, exposure to the local culture and advance technology.

PROGRAM & ACTIVITIES

- **Technology**
Play@Sheraton online gaming portal.
- **Creative Art**
Introducing the spirit of learning and sharing through creative art with elements of the local culture and sustainability.
- **Food & Beverage**
